WORLD'S SPEED RECORD BROKEN

Grand Rapids, Mich., July 30.—The largest audience that ever assembled at a race course here saw a world's record for average speed broken in today's program of Grand Circuit racing.

Of the 15 heats paced or trotted, the slowest was the 2:09 1/2 by Stratstom, The Speedster was Stetson Lad's 2:04 1/4 in the first heat of the 2:07 pace. The average time for 15 heats was 2:06 9/15. Every race was featured by split heats and torrid finishes.

The Furniture Manufacturers' \$10,000 stake for 2-12 trotters feature event of the meet started with Tommy Horn ruling a strong favorite. The Indiana horse showed justification for this confidence only in the first heat which he won with ease. In the second heat a rush by Tenara landed the Madden entry a winner and brought the time down to 2:05 3/4 which constituted a race record for a trotter at Comstock track. This record endured only until the next heat in the 2:08 trot when the Texas mare, Cheney clipped half a second from the mark, putting it at 2:04 3/4. This latter figure also is the fastest mile trotted by a mare on any track this season.

Tenara despite her evident lameness outgamed and outstepped the field in the third and fourth heats, thereby gaining the long end of the heavy purse.

Cheney, favorite in the 2:08 trot, fulfilled expectations after dropping the first heat to a starboard, hard trot by Murphy.

The 2:17 pace offered the unusual spectacle of horses in this slow class stepping the course as speedily as those in the ten seconds faster division. Mack Thistle in the first heat won handily in 2:05 3/4. He repeated in the second in a full second faster time. The unexpected happened in the third heat when Stratstom, the record holder, was outgamed by Mack Thistle. Then just at dusk the performance was repeated and the race was declared over until Thursday.

Eula Belle, winner of the Tavern steak at Cleveland a few weeks ago and who gave Uncle Biff such a battle in the Grand Rapids Railway stake Tuesday, died in her stall this afternoon of infection. She was owned by J. J. Mosier of Toledo, O. She was five years old.

NEW OSLER PHILOSOPHY

A few years ago the startling assertion of Dr. Osler that the usefulness of life ended at 60 years of age startled the world. The assertion did not check the energetic young fellow of 60 from going right ahead and doing things without a thought of the chloroform bug. The doctor may have intended that his utterances should be taken in a scientific, Pickwickian sense, for in meeting him one would never believe him responsible for such a grim edict. Now that Dr. Osler is himself approaching the "age limit," he may modify his original statement, and with the honors of knighthood ("thick upon him," Sir William Osler may take it, most of us are of long life as the sunset of 60 approaches).

One bit of philosophy lately advanced by Dr. Osler seems destined to live to bear good fruit. There is no use, he remarks, in worrying about yesterday and tomorrow—today is what we must take care of. When one stops to think of it, most of our real worries come from regrets for misdeeds yesterday, or from apprehensions of possibly unhappy tomorrows, little realizing that between the sunset and sunrise of today lie all-important and imperative duties. Dr. Osler insists that when one starts the day with the sailing for all of day is forecasted. This reminds me of the admonition of dear old grandfather who used to say, "Never get up in the morning without a hearty laugh. If you can't think of anything humorous tickle yourself. In other words, let your day begin with a temperamental sunrise for cheery words and thoughts constitute a radiant dawn that glows on into noonday brightness whether the weather outside be iniquitative of gloom or a threatened tempest."—National Magazine.

NOTICE OF INTENTION

Notice is hereby given by the Board of Commissioners of Ogden City, of the intention of said Board to make the following described improvements, to wit:

To create the east side of Monroe avenue from 21st to 22nd Streets and both sides of Monroe Avenue from 22nd Street to 25th Street, as a curb and gutter district, and to build thereon concrete curbs and gutters of the standard form, together with the necessary intersections, grading and all work pertaining thereto and to defray the whole of the cost thereof, estimated at \$3,500.00 by a local assessment upon the lots or pieces of ground lying within the boundaries of the following district, being the district to be benefited and affected by said improvements, viz:

All the land lying between the outer boundary lines of the above streets and avenues where curbs and gutters are not now built and a line drawn 50 feet outward from and parallel to the said outer boundary.

All protests and objections to the carrying out of such intention must be presented in writing to the City Recorder on or before the 18th day of August at 10 o'clock a. m., that being the time set by said Board of Commissioners when they will hear and consider such objections as may be made thereto at the Mayor's office at the City Hall, Ogden, Utah.

By order of the Board of Commissioners of Ogden City, Utah. Dated this 25th day of July, 1913. A. G. FELL, Mayor.

H. J. CRAVEN, City Engineer. First publication, July 25th, 1913. Last publication, August 16, 1913.
